Subject: Keep local harbor jobs

The living-wage jobs in our harbor are critical to our economy. Please keep that in mind.

I support a thorough cleanup plan for the Willamette River but the idea that we can restore the river to its original state is not realistic. That kind of cleanup would take forever and it would cost a ton. Make sure that we get a flexible cleanup plan that works and is affordable to help sustain the businesses in the area.

Please do whatever you can to support the river and our health but also to make sure our jobs don't go away.

Sincerely,
